

## André D. Taylor, Ph.D.

Dept. of Chemical and Biomolecular Engineering, New York University, Tandon School of Engineering, 6 MetroTech Center, Brooklyn, NY 11201; Phone: (646) 997-3545, Fax: (646) 997-3136; Email: [Andre.Taylor@nyu.edu](mailto:Andre.Taylor@nyu.edu), U.S. Citizen

### Professional Preparation

- B.S. Chemical Engineering, High Honors, University of Missouri – Rolla, December 1995
- M.S. Chemical Engineering, Georgia Institute of Technology, May 2000
- Ph.D. Chemical Engineering, University of Michigan, May 2005

### Employment

|              |   |
|--------------|---|
| 2018-present | Associate Professor of Chemical and Biomolecular Engineering, New York University           |
| 2014-2015    | Martin Luther King Jr., Visiting Associate Professor, Massachusetts Institute of Technology |
| 2013-2017    | Associate Professor of Chemical and Environmental Engineering, Yale University              |
| 2008- 2013   | Assistant Professor of Chemical Engineering, Yale University                                |
| 2007-2008    | Research Scientist, Department of Electrical Engineering, University of Michigan            |
| 2005-2007    | Research Investigator, Department of Chemical Engineering, University of Michigan           |

### Selected Academic and Professional Honors

Smith-Cotton High School Academic Hall of Fame (1 of 3 first inaugural inductees) 2013  
Yale Junior Faculty Fellowship 2011-2012  
**PECASE - Presidential Early Career Award for Scientists and Engineers (2011)**  
Yale Arthur Greer Memorial Prize for Outstanding Scholarly Publication or Research 2011  
**NSF CAREER Award (2010) One of < 5% of recipients in their first year of eligibility**  
Dr. Theophilus Sorrell Fellow (National Organization of Black Chemists and Chemical Engineers) 2003

### Professional and Academic Memberships

|   |  |
|---|--|
| Electrochemical Society (ECS)                         | American Institute of Chemical Engineers (AIChE)       |
| American Chemical Society (ACS)                       | (Secretary/Treasurer CRE Division)                     |
| Material Research Society (MRS)                       | Tau Beta Pi (Engineering Honor Society)                |
| National Soc. of Black Engineers ( <b>Yale Dean</b> ) | Yale Black Graduate Network ( <b>Faculty Advisor</b> ) |
| Resident Fellow Yale Trumbull College                 | <b>Eagle Scout</b> (National Eagle Scout Association)  |

### Teaching Experience

CENG/ENAS 430, Renewable Energy Technologies for Developing Countries, Spring 2017  
CENG/ENVE 230, Materials and Energy Balances, Fall 2008, Fall 2009, Fall 2010, Fall 2015, Fall 2016  
ENAS 609, Nanotechnology for Energy: Materials, Devices, and Theory, Fall 2012, Fall 2013  
CENG/ENVE 315, Transport Phenomena (Heat and Mass Transfer), Spring 2013, Spring 2014

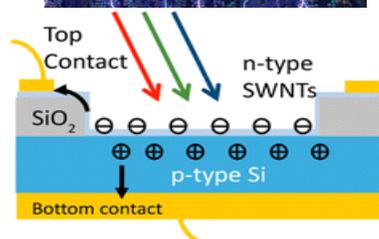

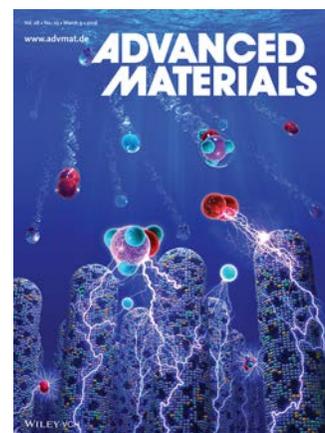

### Selected Publications (from 74) All as Independent Investigator and Sole Corresponding Author:
